

24.05.2024 - Power-Up Adjustments

Power-Ups have been mostly limited for some time:

- **Team Damage:** Unlimited
- **Team Range:** 30 uses
- **Team Speed:** 30 uses
- **Team Crit Chance:** 100 uses
- **Team Crit Damage:** 100 uses

Adjustment for Team Speed and Team Range:

Instead of the hard limits for Team Speed and Team Range, there is now a "soft" limit:

- **1-30 uses:** +1% per use
- **31-100 uses:** +0,5% per use
- **101-200 uses:** +0,1% per use
- **From 201 uses:** +0,01% per use

Detailed Explanation:

- The first 30 Power-Ups now give the full bonus of 1% each.
- The next 70 uses (31-100) each give only 0.5%.
- 101-200 uses each give 0.1%.
- From 201 uses, each gives only 0.01%.

Example Calculation for Team Speed:

If 100 Team Speed Power-Ups are used, the total bonus is no longer 100% but:

- **1-30 uses:** 30%
- **31-100 uses:** 35%

Total: 30% + 35% = 65% Team Speed

This change currently applies only to Team Speed and Team Range.
